**8th ONCOCON & 5th AROI (Bihar Chapter)
Annual Conference 2023**
Date: 23rd-24th December, 2023

Dear Colleague. . . .

On behalf of the organizing committee of **8th ONCOCON & 5th AROI**, (Bihar Chapter) 2023 Conference, We would like to invite you for the conference to be held on **23rd - 24th December 2023** at **Auditorium, IGIMS, Patna**.

Patna is the capital city of Bihar. Patna is well connected by AIR, RAIL & ROAD. It's known for Historical places and the most elegant Barabar(Banawar) Caves are one of them nearby Patna. Barabar Caves are situated in the hilly area near Makhdampur (Jehanabad) at a distance of 85 km from Patna. These ancient rock-cut Buddhist chambers date back to the 3rd century A.D. and are famous as the place of origin of the Ajivika sect.

The historically famous Barabar caves, which have recently been included in the list of 90 exotic geoheritage sites of the country by the Geological Survey of India (GSI), may also be included in the tentative list of UNESCO World Heritage sites soon.

Baba Siddhnath Temple, also known as Shiva Temple and originally known as Siddheshwar Nath Temple, is situated on one of the highest peaks in the Barabar Hills range. The temple dates back to the 7th century AD. It was built during the Gupta period. Local legends attribute the construction of the temple to Bana Raja. (Father-in-law of the great king Jarasandha of Rajgir).

We all members of **ARO** (Bihar Chapter) and **East Oncology Group** are extremely pleased to extend this invitation for participation and partnership in the two days Conference of 8th ONCOCON 2023 & 5thARO, Bihar Chapter (23rd - 24th Dec. 2023). It is our such National event in succession and we are sure that two days process of sharing and learning will be a successful one too. This conference is solely aimed at bringing together the people involved in the field of Oncology, promoting education of the oncology professionals and allied medical specialists on the advancements made in the field of cancer treatment and care.

As the theme of this year's conference is "**Never Give Up**" our effort is to present integrated learning and update from the world's leading cancer specialists, Forums, and Institutions for introspection, analysis, and practice. The scientific program will therefore revolve around all the related areas of sessions that have been meticulously designed to improve our understanding, perceptions, and actions in the field of cancer treatment and patient care. This conference will also provide a platform for researchers to present their latest findings and learn about all the important developments in cancer research. Many Oncologist from National and International experts will participate in this conference.

Organizing Secretary
Dr. (Prof.) Rajesh Kumar Singh
Chief SCI, IGIMS, Patna
